

## Directions to Living Springs by road

### ➤ From the north:

1. Head for the M5 south and continue on this motorway until you reach Junction 3.
2. Take the **A456 towards Kidderminster** for about 6 miles.
3. At the bottom of a long hill (as you are entering Hagley) you will come to some traffic lights.
4. **Turn right on the A491** towards Stourbridge.
5. **Go around one island and over one set of lights** before you reach Stourbridge town.
6. There is a one way ring road system around the town. When you join this stay in the left hand lane and **take the third exit (Enville Street) signposted to Bridgnorth**. This exit is just after The Crystal Leisure Centre which is on your right.
7. *Hint: If you miss the exit stay on the ring road in the middle lane and after one mile you will be back at the same place!*
8. After just over half a mile you will be in Wollaston. At the small island just past the Vauxhall Garage on your left **go straight on** on the Bridgnorth Road past the shops (this is still the main road which does in fact veer slightly left at the island)
9. After about 3/4 of a mile you will be in a more rural setting and will pass Stourbridge Rugby Football ground on your left. Living Springs is the next building on your left a further half a mile along this road. It will be clearly visible as an old farmhouse with outbuildings set in the middle of the fields on your left hand side as you drive along the road after the rugby club. **Turn left** into the driveway leading up to Living Springs.

### ➤ From the South:

1. The best way up from the London area is **via the M40 and then the M42, joining up with the M5**.
2. When you join the M5 you should be heading north for approximately two miles.
3. Leave the M5 at **Junction 4 for Stourbridge**.
4. Follow the **A491 towards Stourbridge**.
5. There is an island after about one mile
6. Take the main exit on to a dual carriageway, still **following signs on the A491 to Stourbridge**.
7. After about 6 miles you will come to a very large island at Hagley.
8. **Bear right** around the roundabout, but keep in the left hand lane of the dual carriageway.
9. Follow the dual carriageway towards Stourbridge and Birmingham from this island, still keeping in the left hand lane.
10. After a few hundred yards **filter left to Stourbridge** at the first set of traffic lights. You are still on the A491 and should follow the directions from point 5 in the directions 'From the north'.
